Mr James Brown
Laurel Hill N.C.

Dear James:

I am writing you because I had expected to hear from you before now. I sent your contract to you some time ago. It is possible it may have gone astray in the mail.

Please write me right away, as we are leaving for camp in about three weeks, March 30th to be exact.

If for any reason you have changed your mind about playing please let me know right away. I will be looking to hear from you.

Very Truly Yours
